

Exclusive Retrofit Deal

Heat up your customers home
this spring with 2 FREE radiators!

October/November Promotion

x2 FREE Radiators

We understand that times are tough, which is why we're here to help to put a spring in your step this Spring!

Our nationwide campaign is focused on the retrofit sector, offering an irresistible deal—get **two free radiators** when you purchase a complete central heating system featuring a Rinnai ZEN or I-Series Gas Boiler, Domusa Heat Pump, or Chofu 16kW or 10kW Heat Pump for your customers existing home.

This offer can also be combined with our current promotions, giving you the chance to create a cost-effective solution that sets you apart in today's competitive market.

Campaign Highlights: We've made a significant investment in this campaign to drive momentum across New Zealand. This is your chance to capitalise on those open opportunities and encourage your customers to make their homes cosy before 2025.
