

terrier Two way Thermostatic Radiator valves

Terrier TRV

*Patented

The Terrier thermostatic radiator valve, manufactured to exacting standards by Pegler to ensure reliability, was awarded the Millennium Product status, but time stops for no one, and the best has been improved.

To suit different requirements and applications Terrier is offered in the choice of three packs.

- Single TRV pack containing one Terrier TRV
- Terrier TRV with a conventional lockshield
- Terrier TRV with a drain off lockshield

Product Range – Angle

Model	Size	Description	Finish	Order Code
Terrier Two Way TRV	8mm x 1/2"	Vertical mounting	Chromium Plated	632001
	10mm x 1/2"	Vertical mounting	Chromium Plated	632002
	15mm x 1/2"	Vertical or horizontal mounting	Chromium Plated	632003
	8mm x 1/2"	with (367 CPLS) matching lockshield	Chromium Plated	632011
	10mm x 1/2"			632012
	15mm x 1/2"			632013
	8mm x 1/2"	with (367 CPDLS) matching drain off lockshield	Chromium Plated	632021
	10mm x 1/2"			632022
	15mm x 1/2"			632023
Extension Tail Piece	for all sizes	ETP 21mm	Brass	634005
	for all sizes	ETPCP 21mm	Chromium Plated	634006

(both Extension Tail Pieces supplied with nut and olive)

Specification

- Bi-directional flow capability
- Compact design
- Frost protection 7°C
- Setting range 7°C - 28°C
- Approved to EN215
- Suitable for 2 pipe systems
- Polished chrome plate finish
- Available with matching lockshield (see pages 16/17)
- Double 'O' ring seal
- Low hysteresis wax sensor
- '0' setting for positive shut off
- Improved nominal flow rate for both forward and reverse applications
